

A screenshot of a web browser window. The address bar at the top shows a URL starting with 'http://'. The main content area of the browser is entirely blacked out, indicating a security warning or a blocked page. In the top right corner of the browser window, there is a small icon of a red 'X' inside a square, which typically signifies a failed connection or a blocked resource. The text 'Vue du site' is visible in the top right corner of the blacked-out area.

A screenshot of a web browser window. At the top, there is a black horizontal bar. On the right side of this bar, there is a small square icon with a red 'X' inside. Below the black bar, the text 'Photo du repère' is displayed in a black font. The rest of the browser window is empty and white.
